A FABULOUSLY SUCCESSFUL TOTAL SYSTEM FOR NEW BIG CHEST INCREASE

GUARANTEED YOU MUST INCREASE CHEST MEASUREMENTS 2 TO 4 INCHES IN JUST 14 DAYS OR YOUR MONEY BACK!

FREE!
crushing

course

Why is this approach to muscle building world famous—? We are perhaps the only successful bodybuilders who concentrate on a big chest first and offer the complete total system in a complete kit. **NOTHING ELSE TO BUY!**

Results are not uniform and vary with user. You increase at your own pace.

For the man or boy whom fate denied a beautiful, strong body, help is here! How—? Our new easy system in complete packaged kit with our world famous pectoral chest developer lets you attain enormous chest measurements fast! Then at your own convenience, add a total of 8, 10, 12, 16, 20 inches on your chest, back and shoulders.

Research has shown the chest is the dynamic focal point, the power center of the physique, around which your entire bodybuilding program can be structured. If your chest is small or scrawny, body development can be slow, almost never ending. When your chest becomes big, other muscles can be built up super-fast! A big chest first! Always!

Research shows people usually judge a guy by the size of his chest. Why—? Look around. Do guys parade about town in swim suits? No! Everybody wears clothes. While your other muscles can be hidden under clothing, a big chest stands out at first glance. Your stomach, thigh and leg muscles can be concealed under pants. Arm muscles can be hidden under sleeves. But a big chest is an attention-getter. It can indicate virility, dynamism and courage.

GENERAL FOR A DAY

"What do you think of my idea, gentlemen?" asked General Halftrack as he leaned back in his chair.

"I think it's a marvelous, fantastic, wonderful idea!" exclaimed Lieutenant Fuzz enthusiastically.

"Fuzz, if I suggested painting every barracks on the base pink with purple polka dots, you'd think it was a great idea," snapped the General. "Lieutenant, you're a boot shiner!"

"Do you need your boots shined, General?" asked Lieutenant Fuzz as he dropped to his hands and knees and started to shine the General's shoes with his shirt sleeve.

"Stand at attention, you nincompoop, while I get the other officers' opinions!" yelled General Halftrack angrily.

"Yes, Sir!" shouted Fuzz.

"I think the idea is a sound one," admitted the Major. "It'll give the enlisted men a glimpse of what it's like to live on the other side of the tracks. Enlisted men think that officers only play golf, give orders and have fun! They don't realize how hard we really work!"

"I agree, but I don't like putting an enlisted man in charge of the camp," stated the Captain. "We could end up with more trouble than we bargained for!"

"It's only for one day, Captain," replied the General. "It's going to be a contest. One of our enlisted men will get the chance to be General for a day. We'll put every enlisted man's serial number on slips and put the slips in a big fish bowl. We'll pick one slip and that lucky man will be general for one, whole day."

"Do you mean he'll be in charge of everyone?" asked the Captain in a worried tone.

"That's right!" answered General Halftrack. "He'll even be able to order me around."

The following afternoon, the entire populace of Camp Swampy was assembled on the parade grounds for the drawing of the General of the day contest.

"Sergeant Snorkel will now pick the slip of paper with the lucky winner's serial number on it," announced General Halftrack.

Sarge Snorkel reached into the fish bowl. Who would be General for a day? Who would be the lucky soldier who would get to run Camp Swampy from dawn to dusk? Would it be Plate? Would it be Killer? Would it be Zero?

"The winning serial number is 1373-J-73203-B!" shouted Sergeant Snorkel as he looked at the slip of paper in his hand.

"It's me! That's my serial number! I won! I won! I'm going to be general for a day!" someone shouted excitedly.

"Oh, no!" lamented the Sarge when he saw who had won the contest.

"Oh, no!" sobbed the Captain when he saw who the lucky soldier was.

"Oh, no!" sighed the General sadly when he saw Beetle Bailey come running up to the platform.

Beetle Bailey was going to be General for a day. Starting tomorrow, at dawn, Beetle would be in complete charge of Camp Swampy.

"Heaven help us," mumbled the Sarge as he watched the General congratulate Camp Swampy's number one goof-off and gold brick!

The next morning, Beetle was ready to take charge bright and early. He dressed up in his General's uniform, which he would be allowed to wear for one day and issued his first order as camp commander.

"Have all of the men assemble at the parade grounds," he shouted to Plate who was acting as Beetle's orderly.

"Yes, Sir? General!" answered Plate.

Minutes later, every soldier in Camp Swampy was standing at attention on the parade grounds. All of the officers were there, including General Halftrack.

"Here are the orders of the day," began General Beetle Bailey. "All enlisted men are dismissed and have the day off. All officers will draw fatigues and get ready for work detail!"

The enlisted men reared joyfully and ran away. The officers mumbled, grumbled and rumbled angrily amongst themselves.

Beetle made Lieutenant Fuzz shine garbage cans. He made the Major peel potatoes. The Captain had to police the grounds. General Halftrack had to scrub floors. The worst job of all went to Sergeant Snorkel. He had to dig holes, and then he had to fill them up again.

"Look at that! Isn't it funny to see them all working so hard?" laughed Beetle as he and Plate watched the officers sweat and strain.

"It's funny today because you're a general, but it won't be funny tomorrow when you're a private again," answered Plate.

Immediately, Beetle realized that tomorrow would be doomsday for him. Quickly, he dashed off toward his office.

"Where are you going?" asked Plate.

"I'm going to write myself a two year pass. Maybe, in two years, everyone will forget about the things that I did when I was General for a day and then it'll be safe for me to come back," Beetle answered.
